

Domestic Rules Guidance

January 2022

The Rules of the Game (2020 edition) are set by World Netball (INF) and should be referred to together with INF Match Guidelines which are now contained within the 2020 INF Rules Book.

The England Netball (EN) Vitality Netball Superleague will be played to INF Rules.

EN has produced this Domestic Rules Guidance to provide acceptable adaptations of the INF Rules for domestic leagues / competitions, which takes account of our legal responsibilities, our duty of care and our objective to establish an inclusive, safe, fair, and inspiring sporting environment that contributes to a high-quality participant experience at all times.

This guidance is provided for all involved in netball in England including players, coaches, match, and technical officials. Everyone involved in a match has a collective responsibility to apply and adhere to the rules of the game. The guidance has considered a range of cultural needs and medical conditions.

The most current version of the Domestic Rules Guidance is published through the EN website (www.Englandnetball.co.uk) In the event of queries or complaints about the interpretation of the rules, reference will be made to the INF Rules, INF Match Guidelines and EN Domestic Rules Guidance.

Please direct any questions regarding the INF Rules or England Netball Domestic Rules Guidance to officiating@Englandnetball.co.uk

5	Match Personnel				
5.1.1	<p>INF RULE 5.1.1 PLAYERS</p> <p>(i) During a match players must wear:</p> <p>(a) Registered playing uniform and suitable footwear (spiked soles are not allowed).</p> <p>(b) Playing position initials 150 mm (6 in) high which must be clearly visible and worn above the waist, front and back.</p> <p>(iii) The playing positions and initials are Goal Shooter (GS), Goal Attack (GA), Wing Attack (WA), Centre (C), Wing Defence (WD), Goal Defence (GD) and Goal Keeper (GK).</p> <p>(iv) All players have specified areas of the court where they are allowed to play (see page 22 of INF Rules book)</p> <p>(v) Players may not wear anything that could endanger themselves or other players, specifically:</p> <p>(a) No adornment or jewellery may be worn other than a wedding ring which must be covered with tape.</p>	As per INF Rule 5.1.1	<p>The priority must be to encourage increased participation in Netball, while being sensitive to religious practices, cultural differences, health, and well-being issues, for example, climatic weather conditions with due regard to the safety of all participants.</p> <p>Players Uniform - As per INF Rule 5.1.1.(i) Exceptionally non-registered playing uniform may be worn. There is no intention to debar players from wearing tracksuits and clothing that reflect the uniform and colours of a club. Umpires should act responsibly and sensitively in checking that the players' uniform reflects both the INF Rules and EN Domestic Rules Guidance. Umpires should therefore use common sense when applying the rules in the local leagues.</p> <p>Gloves: No form of glove should normally be worn when playing Netball. However, EN recognises its responsibility for duty of care to all players playing Netball, particularly outside and within school and junior competition. In extreme weather or climatic conditions, or with a medical condition, gloves may be worn. If for medical reasons gloves are required, then on production of an appropriate medical certificate/letter, a local league, County, Region or EN should allow gloves to be worn. The player should ensure that the gloves worn do not endanger other players' safety. Gloves should be plain, soft leather or micro fibre (e.g. Neoprene) which are manufactured without seams (or with internally sewn seams) and have no abrasive materials including but not limited to zippers, Velcro, metallic or plastic fasteners or rubberized embellishments used to improve grip. Umpires are reminded that they still need to be satisfied that any gloves worn do not present an obvious hazard to other players. Umpires must also check fingernails conform to Rule 5.1.1 (iv) (c) Fingernails must be short and smooth</p> <p>Head Coverings: A player may wear a hat / head covering. They should ensure that the material used for the head covering is soft and without embellishments or loose fibres, which might constitute a danger to any other player on the court, and with potential flowing/flapping edges held securely around the neck or tucked into the shirt collar. Headbands that meet the requirements as above should be allowed. Peaked, baseball or tennis type caps do not meet the requirements and are not allowed.</p> <p>Eyewear: If a player/coach/official has to wear glasses for medical reasons then she/he is fully insured from an EN point of view, but the glasses are not insured. Sunglasses should not normally be worn when participating in netball activities. However, sunglasses may be worn for genuine</p>		

	<ul style="list-style-type: none"> (b) A medical alert bracelet may be worn provided it is covered with tape. (c) Fingernails must be short and smooth. (d) Hair must be suitably tied back. (vi) Role of Captain: <ul style="list-style-type: none"> (a) Before the match starts, the two captains toss for choice of goal end or first centre pass and notify the scorers and the umpires of the result. (b) The captain has the right to approach the umpires during an interval for clarification of any rule. Any player/s for whom the clarification is relevant may accompany the captain. (c) The umpires may request the captain to speak to any on-court player/s whose behaviour is causing concern. (d) In the event that the captain is not on the court, an on-court captain will be advised to the umpires. 	<p>medical reasons when participating in recognised and authorised EN activities. If sunglasses are required for genuine medical reasons, then an appropriate medical certificate must be supplied to EN (or the appropriate League, County or Region).</p> <p>Jewellery / adornments and medic alerts: It is the individual's responsibility to ensure that they comply with the INF Rule 5.1.1 (iv). Dermal piercings (that are located below the skin and cannot be easily removed) and flat religious bracelets (which are not to be removed for religious and / or cultural reasons) are to be suitably covered with padding / tape as necessary to prevent injury to others.</p> <p>Daith/Tragus Piercing - The medical evidence regarding a Daith/Tragus piercing is only anecdotal at this time with some Doctor's prepared to support its use and some that do not. England Netball would suggest that the player gets a supporting letter from a doctor and then appeals to their league committee for a dispensation as there may be local regulations that apply. If granted it is suggested that the player wears a headband covering her piercing. Taping is not sufficient and the headband would offer an additional level of safety to the wearer and other players.</p> <p>Hair: Hair should be suitably tied back whilst participating in Netball and any hair accessory that is used should not pose any risk to any individual. A single 'ponytail' is sufficient for all hair types.</p> <p>Medical aids: Players wearing medical aids to protect injury or post surgery and who are prepared to take the risk of playing, may take the court provided the medical aid is covered adequately thus preventing no obvious hazard to other players. Such players are advised to ensure that they have appropriate personal liability insurance coverage. Any medical aid must be approved by a qualified medical practitioner especially when returning to Netball from injury and have an appropriate medical certificate/letter. The medical aid must be 'flexible' form and not inhibit movement for the individual. The wearing of ankle braces does not apply to these medical aid guidelines therefore can be worn.</p> <p><i>Please note that Libre sensors used by diabetic players to monitor blood sugar levels are not required to be covered as they pose no additional risk to the wearer or other players.</i></p> <p>EN recommends that individuals (players, coaches, umpires etc) if pregnant should only participate with approval from their doctor and in accordance with any guidelines issued by EN. Neither EN, nor the registered netball organisation will be held liable for any pregnant individual participating in recognised and authorised netball activity should the expectant mother suffer a miscarriage or permanent damage to herself and / or unborn child as a result of participating. The EN Personal Accident cover will not provide any benefit for injury, loss, or expense due to pregnancy, childbirth, miscarriage, or any consequence thereof. For example, if an 'Insured Person' who is pregnant is involved in an accident (not pregnancy related) and suffers a broken leg then, subject to claims validation, the policy would pay any broken bones benefit, the Hospital Confinement benefit and Temporary Total Disablement benefit due under the Personal Accident Insurance Policy resulting from this injury. However, if the absence or hospital stay is prolonged as a direct result of pregnancy, pregnancy complications or even early childbirth then this would not be covered. The programme of insurance</p>

		<p>that is centrally arranged by EN is provided as a Membership benefit and ensures that Affiliated Members (referred to in the Liability insurance documents as 'Registered Participants') and in the Personal Accident documents as an 'Insured Person' are covered for Liability and Personal Accident Insurance, at the level of cover applicable to their category of membership. This information is intended as a guide only - full terms and conditions apply as detailed in the policy documents, in association with EN's current Memorandum, Articles, Regulations and Policies. The summary of cover is available in the member welcome email and full policy documents are available from Howden.</p> <p>Please note this guidance supersedes previous guidance that players, coaches, officials should only participate up until their 12th week of pregnancy.</p>

(b) A member of the team who holds an umpiring qualification to take over.</p> <p>If no replacement umpire is available, the match will be abandoned and referred to the individual/competition organiser for further guidance.</p>

Only the scorers and timekeepers are seated at the official bench.</p>	As per INF Rule 5.3 Umpires will not keep score, or time the match. Additional Recommended Guidance		
	Umpire Expenses	<p>Umpires should be discouraged from expecting a 'fee' of their own choosing. Inland Revenue tax laws allow 'reasonable expenses' to be reimbursed for the cost of travel only. If a local league, County, Region, or competition wishes to reimburse a 'reasonable expense' it is recommended that the EN travel expense rate of 40p per a mile is used. If an umpire requests a 'fixed fee' for a match, then it is strongly recommended that the umpire 'fee' is settled by cheque. This establishes that a payment has been made for a service given. This will be important to a local league, County, Region, or competition who make the payment, in the event of a random check by the Inland Revenue. It is the Umpires responsibility to declare any 'fee' on their tax return.</p>
	Number of Matches Umpired	<p>Umpires should only umpire one 1-hour match per day. This is to ensure they maintain their standards and effectiveness and provide the correct level of service to the teams they are umpiring. In exceptional circumstances, a further match may be umpired in the same day but it is recommended that there is a break of at least 1 hour between matches. Where more than one match is umpired, if there is no additional travel incurred between matches, then multiple expense payments should not be made/requested.</p>
