

# County Under-15 Player Development Programme

## Guidance 2022-23 <sup>A</sup>

### **Purpose of the programme: Learn, Love, Win**

#### **Learn the game:**

We will help the athletes extend their knowledge of the game and develop strategies on how to effectively outwit opponents. We will create an environment of uninhibited curiosity, one that encourages autonomous and independent thinkers who can lead themselves and champion the improvement of others. Our coaching is focused on achieving Technical Excellence, Tactical Superiority, Psychological Edge and achieving our Physical Potential.

#### **Love the journey:**

We want all athletes to receive a positive experience of the game of netball no matter where they are on the pathway, fostering a life-long love of the game. The athletes should enjoy what they do, and feel encouraged, supported, and motivated. We will prioritise the unique individuality of each athlete, embracing challenges and new experiences together as we help them develop a limitless belief in themselves. We have a desire to go beyond what's possible.

#### **Win deep:**

We plan, prepare, and play to win but it is not our only purpose. Winning deep is the sum of Learning the game and Loving the journey. There is a richness in Winning deep because of the challenge, chaos and commitment that play a part in it. We have a deeper connection to winning and going beyond what's possible because we are driven by our purpose to inspire our communities and the nation.

### **Outcome of the programme:**

*ALL player pathway programmes should provide appropriate on and off court support for all to achieve the development standards necessary for next stage of the player pathway, outlined in the Roses Development Framework*

The emphasis remains on understanding learning how to train and compete with competition being used to consolidate game understanding, refining skills, and see improvements in decision making.

### **Duration and structure of training programme - (please provide number of programmes delivered by CNAs with training session schedule and training venue address)**

County Netball Associations manage and deliver the Under-15 Player Development Programme(s) on behalf of England Netball, delivering minimum thirty (30x2hrs) engaging, high intensity, fun squad trainings over 9 months - between September 2022 – May 2023. Each County determine an appropriate time for Player Development Programme within the County calendar. There will be on/off court sessions with topics appropriate for athlete age and their development stage in line with the Roses Development Framework.

Although the focus is on training and skill development, competition should be used to challenge and refine skills.

Each County Netball Association should host and/or attend a minimum of two Match Days. (Match Day 1 – between October - December 2022; Match Day 2 – between March - May 2023)

## Guidance 2022-23 <sup>A</sup>

### **Athlete Progression:**

VNSL Team's Under-15 Academy and VNSL Team's Uunder-17 Academy.

There is no automatic entry to the next stage of the player pathway. Players must be nominated by the County U15 Player Development Programme Coach or by the County Player Development Lead to trial along with others nominated by clubs and schools. If the athlete has reached their potential at County Under-15 Player Development programme it is recommended that they continue their training at club level.
